

Run Daily Sales Report

Description

Use this task to run the *Daily sales* report. This report displays the daily total bottles sold and amounts and also details for each item sold.

Trigger

Perform this task when there is a need to view daily sales.

Prerequisites

Sales have been recorded in the system.

Helpful Hints

When the report is run for the first time, it runs for yesterday's date. The date can be changed to display sales for a previous day.

Procedure

1. Begin this task by logging into the Enterprise portal.
2. Click **Retail** on the toolbar.

3. Scroll down as needed and click **Daily sales** in the Retail panel to run the *Daily sales* report.

The screenshot shows a web application interface for a retail system. The browser address bar displays 'http://oitsocmaost02/Retail/Enterpri'. The top navigation bar includes links for Home, Procurement, Sales, Project management, Service management, Vendor portal, Customer self-service, Budgeting, and Retail. The main content area is titled 'Retail' and features a sidebar with various report options. The 'Daily sales' option is highlighted with a red box. The main content area displays two sections: 'Receiving' and 'Picking', each with a table of data.

Receiving

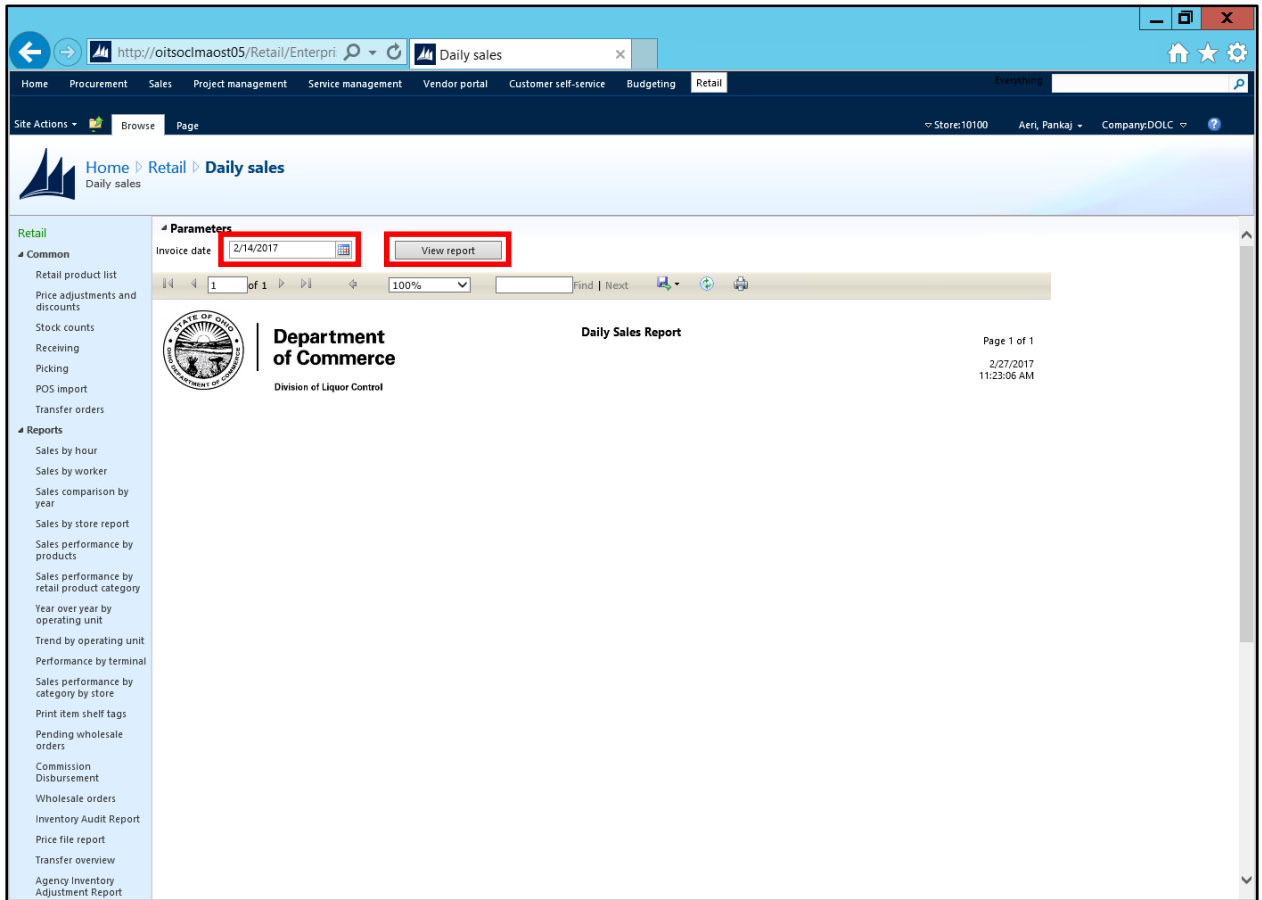

Order number	Type	Delivery note number	Driver details
TO000000015	Inventory transfer		
TO000000031	Inventory transfer		
TO000000102	Inventory transfer		

Picking

Order number	Delivery note number	Driver details
TO000000040		
TO000000054		

4. Click  in the **Invoice Date** field and select the desired date from the drop-down list to run the report for a previous day. In this example, select “2/14/2017”.

5. Click  to run the report for the selected date.

The screenshot shows a web browser window with the URL <http://oitsocmaost05/Retail/Enterpri>. The page title is "Daily sales". The navigation menu includes Home, Procurement, Sales, Project management, Service management, Vendor portal, Customer self-service, Budgeting, and Retail. The page content shows a "Parameters" section with "Invoice date" set to "2/14/2017" and a "View report" button. The main content area displays the "Department of Commerce" logo and the "Daily Sales Report" title. The page footer indicates "Page 1 of 1" and the date/time "2/27/2017 11:23:06 AM".

6. Review the displayed information.

The screenshot shows a web application interface for generating a 'Daily sales report'. The report is for the Department of Commerce, Division of Liquor Control, for the invoice date 2/14/2017. The report is displayed on page 1 of 1 at 2/27/2017 11:35:52 AM.
